RBFCU Hiring Team

Collin County Region

Dear Hiring Team,

My name is Damian Aguilar, and I'm currently pursuing a Bachelor of Science in Computer Science with a Minor in Business Administration at The University of Texas at Dallas. As a Terry Foundation Scholar and active community leader, I've gained valuable experience balancing academic challenges with hands-on work in both the tech and service industries. My time in fast-paced restaurant roles has sharpened my communication, problem-solving, and collaboration skills—traits that are critical in delivering exceptional member experiences. As a first-generation college student, I also understand the value of guidance and support, and I've dedicated time to mentoring peers as they navigate new environments.

I am confident that my strong customer service background, bilingual communication skills, and commitment to excellence make me a strong fit for the Branch Member Service Representative role at RBFCU. From handling high volumes of guests to managing daily transactions and mentoring team members, I've consistently delivered results while maintaining professionalism and care. I'm excited by the opportunity to work for an organization that values growth, service, and community. I'd be honored to bring my passion for helping others to RBFCU's member-focused team.

Thank you for considering my application. I look forward to the opportunity to further discuss how I can contribute to RBFCU's continued success.

Sincerely,

Damian Enrique Aguilar
